Golden Road Hefeweizen is a Bavarian-style wheat beer. It has hints of banana and clove on the nose and palate from the German yeast, a medium body, and a smooth, crisp finish that will leave you thinking about lounging in a sun soaked beer garden. Prost!

Belgian-style wheat ale with real orange, lemon and lime peels & a little coriander spice added to the mix. Unfiltered to create a brew that is naturally cloudy with a light golden color and a smooth, refreshing finish. Shock Top Belgian-style wheat ale has collected awards in consecutive years at the North American Beer Awards.

An ode to the brewing traditions of Germany. This amber lager is brewed in true Reinheitsgebot fashion using the finest imported German Malt, German Hops and German Yeast. Incredibly clean and balanced, this lager has a wonderful malty backbone and a hint of earthy hops. Traditionally released in early fall, this beer will make you want to stand up and sing "Ein Prosit!"

Premium aroma hop varieties—American-grown & imported—plus barley malts and rice go into the world's favorite light beer.
